EUROPA CANTAT XIX
Pécs 2015
július 24 - augusztus 2.

Dear Participants,

This is a GAME for groups and choirs to be played any time during the festival!

Its aim is to help you to become familiar with the city of Pécs, to get you to settle in and to feel free to sing or be silly in the streets, and to get to know each other!

You can carry out or find answers to the following exercises in any order you wish. Just read them through and then plunge into the city! Feel free to use your map, speak to citizens in the streets, be creative and have fun!

You do NOT have to provide answers to all 20 questions. Just send us as many as you wish.

So, let the hunt begin! Welcome to Pécs!
